

# Review Remaining Steps to Complete the Draft Plan

# Completing the Draft Plan – Scenario 1

If RBC elects to vote on the newest proposed recommendations, using the same process as was followed for the five policy, legislative, and regulatory issues summarized in Chapter 9, then:

- On 12/15, John will send a Google survey to RBC
- By 12/19, RBC responds to survey with vote
- By 12/22, John will update Ch 9 with survey results, and other agreed to edits discussed today, and send the Draft Plan to RBC.
- By 12/31, RBC provides their level of endorsement on the Draft Plan
- Finalize and release Draft Plan the week of Jan 2.
- Schedule 1<sup>st</sup> public meeting for the week of Feb 7, 8 or 9.

# Completing the Draft Plan – Scenario 2

If RBC reaches consensus (today) on the proposed recommendations, then:

- By 12/22, John will update Ch 9 with survey results, and other agreed to edits discussed today, and send the Draft Plan to RBC.
- By 12/31, RBC provides their level of endorsement on the Draft Plan
- Finalize and release Draft Plan the week of Jan 2.
- Schedule 1<sup>st</sup> public meeting for the week of Feb 7, 8 or 9.

# River Basin Plan Approval Process

## Step 1

- Testing for consensus of **Draft Plan**

Five Point Rating Scale

1	Full Endorsement
2	Endorsement, but with minor points of contention
3	Endorsement, but with major points of contention
4	Stand aside with major reservations (requires changes)
5	Withdrawal (Member leaves)

RBC Member	Endorsement (1-5)
Mark Aakhus	2
Laura Bagwell	2
Glen Bell	Not present at time of vote
John Bass	Not present at time of vote
David Bishop	3
Joel Duke	2
Johney Haralson	2
J.J. Jowers	3
Hugo Krispyn	2
Alta Mae Marvin	Not present at time of vote
Alan Mehrzad	Not present at time of vote
Eric Odom	2
Amanda Sievers	2
Hank Stallworth	2
Brandon Stutts	Abstain until updates made
Jason Thompson	3
Alex Tolbert	Not present at time of vote
Jeremy Walther	Not present at time of vote
Jerry Waters	2
Landrum Weathers	Not present at time of vote
Will Williams	2

*RBC Members indicated their initial level of endorsement during the November meeting, with the understanding that additional Plan edits were still to be made.*

*After completion of additional Plan edits, the RBC members may revise their level of endorsement.*

# First Public Meeting – Draft Agenda

Topic	Minutes	Speakers (Slide #)
RBC Member Introductions, Planning Process Overview, Outline of Presentations	10-15	Possible intro by Ken (1) Hank (2-8)
Current and Projected Water Demands	5	John (9-14)
Surface Water Modeling – Scenarios and Results	5	John (15-17)
Groundwater Modeling – Scenarios and Results	5	Laura (18-20)
Streamflow Ecology Relationships	5	David (21-22)
Water Management Strategies	2	John (Intro for 23)
▪ Agriculture Demand-side Strategies (examples)	2-3	Jeremy (23)
▪ Municipal Demand-side Strategies (examples)	2-3	Eric (23)
▪ Supply-side Strategies	1-2	John (24)
Low Flow Management Strategy	5	Jason (25)
River Basin Plan Recommendations	5-10	Hank (26-29)
Overview of the 5-Year Implementation Plan	5-10	Hank (30)
