Interim Removal Action Work Plan dated June 18, 2021

Dear Ms. Collins,

The South Carolina Department of Health and Environmental Control (Department) has reviewed and approves the *Interim Removal Action Work Plan* dated June 18, 2021 for the Delavan Spray Technologies Site located in Bamberg, South Carolina. The workplan proposes the installation and activation of a soil vapor extraction system beneath the main facility building to address elevated concentrations of tetrachloroethene in soil. Please submit an Interim Removal Action Report to the Department 60 days after completion of field activities.

If you have any questions, please contact me at (803) 898-0816 or devlincl@dhec.sc.gov.

Sincerely,
