Regulatory Division

Mr. Charles Taylor
305 Lowcountry Dr Unit 106
Ridgeland, South Carolina 29936
charles@okatieconstruction.com

Dear Mr. Taylor:

This is in response to your request for a delineation concurrence (SAC-2025-01023), received in our office on September 9, 2025, for a 139-acre site located adjacent to Graham Hall Road, Ridgeland, Jasper County, South Carolina (Latitude: 32.4588°, Longitude: -80.9659°).

The review area is part of an overall project known as Glover Mine Segment 6-9 DC. Based on a review of the information you submitted, the delineated boundaries depicted on the map titled "Mine Segment 6-9, Jasper County, South Carolina" and dated September 9, 2025, are a reasonable representation of the aquatic resources located onsite.

This information is sufficient for planning and permitting purposes with our office. Unless otherwise requested, no further correspondence will be forthcoming regarding this request.

In all future correspondence, please refer to file number SAC-2025-01023. A copy of this letter is forwarded to State and/or Federal agencies for their information. If you have any questions, please contact T. Brian Hardee, project manager, at (843) 365-0848, or by email at Tony.B.hardee@usace.army.mil.

Sincerely,

A handwritten signature in blue ink that reads "Tony Brian Hardee".

T. Brian Hardee
Team Lead / South Branch

Enclosures:

Map titled: "Mine Segment 6-9, Jasper County, South Carolina"

North Charleston, South Carolina 29405
OCRMPpermitting@des.sc.gov

Please note, although Newkirk Environmental, Inc. is confident in its assessments, the USACE is the only agency that can make final decisions regarding wetland delineations; therefore, all preliminary determinations are subject to change. Until verification is received from the USACE, no reliance may be made in this preliminary determination. Newkirk Environmental, Inc. strongly recommends that written verification be obtained prior to closing on the property, beginning any site work or making any legal reliance on this determination.
