

PUBLIC NOTICE OF INTENT TO MODIFY A MINE OPERATING PERMIT

Martin Marietta Materials, Inc.
Rock Hill Quarry
York County, South Carolina
(SCDES Application I-000104)

Date: January 8, 2025

Martin Marietta Materials, Inc. has applied to SCDES to modify their permit to mine granite at a site located at 991 Hawkfield Road in York County, approximately 3 miles southwest of Rock Hill, South Carolina (TMS #6220000013). The operator is proposing to add approximately 410 acres to the mine permit. The operator has not proposed any changes to the approved reclamation plan to restore the site to a lake and grasslands. The mine permit application and related documents are available for review on SCDES's website at <https://scdhec.gov/publicnotice>

SCDES is currently conducting a technical review of the application and related documents and will accept written comments through January 30, 2025. Public comments may impact SCDES's permit decision by giving staff additional information to consider and could also be used when determining specific terms and conditions the company must follow if a permit is issued. Where there is a significant amount of public interest, SCDES may hold a public meeting.

Please use SCDES's ePermitting webpage above to ask questions, request additional information, or to submit written comments, by navigating to the project and using the "Add Comment" tab at the top of the page. If you need assistance contact:
