Waste Tire Quarterly Report Instructions

SECTION A: Grant and Contact Information

Grantee: Provide the name of the local government receiving the grant.

Grant Number: Provide the grant number assigned to the grant. Number can be found on the grant agreement.

Please check one. Check the box next to the date that reflects the reporting quarter.

Is the project complete? Check "No" if the project is not complete. Check "Yes" if the project is complete and then answer additional questions in Section C.

Name of Person Preparing Report: Provide the name of person preparing the report.

Telephone Number and Email Address: Provide the telephone number and email address of person preparing the report.

Signature and Date: The person preparing the report must sign and date the report.

SECTION B: Project Summary

The following questions should provide detailed information about the project and what occurred during the reporting quarter.

- 1. Provide information on tires collected for the quarter.
- 2. Provide information on tonnage, cost, DOR fees and tipping fees collected for each quarter. Calculate box E as directed.
- 3. Describe activities and accomplishments that took place on this grant during this reporting period.
- 4. Explain why no activity occurred during the reporting period.
- 5. Describe problems encountered during the reporting period.
- 6. Provide updates to the county's tire management policies initiated during this reporting period and summarize or attach a description of the revision(s).
- 7. Describe any technical assistance that is needed to complete the grant.
- 8. List any comments and concerns.

SECTION C: Waste Tire Grant Final Report

Answer questions 10 through 11 if the grant is complete.

- 9. Provide a detailed account of all grant activities that occurred during the grant period. Be specific and provide any supporting documentation (e.g., pictures).
- 10. Describe future plans for this project. Describe if the project will continue and how it will be funded.
