

To Whom It May Concern:

The five underground storage tanks located at the old Exxon Station, 100 South Main Street (Southeast corner of Hwy. 78 and 301/601) in Bamberg, S.C. were used to dispense gasoline and kerosene for retail sale and store used motor oil but were taken out of service \_\_\_\_\_ . To my knowledge there has never been an environmental liability insurance policy issued for this facility.

DHEC Permission Form-ROE copy 2.pdf;

Denise,  
Please find attached an executed copy of the document you sent me..  
Let me know if we filled it out properly....you're not dealing with a computer geek.  
I have lots of gray hair... 😊  
Thanks,  
Jeff
