HHPD Rehabilitation Grant Sub-Award Application

Instructions for Completing DHEC 4132

PURPOSE: This form is used to gather information concerning projects eligible for funding from SCDHEC through the US Department of Homeland Security – Federal Emergency Management Agency's High Hazard Potential Dams (HHPD) Rehabilitation Grant Program. This form alone does not constitute an application for funding under the HHPD Rehabilitation Grant Program. Supporting documentation as described in the SCDHEC Notice of Funding Opportunity (NOFO) is also required to constitute a complete grant application.

INSTRUCTIONS:

Describe the proposed project as completely as possible. Attach additional pages as needed.

- 1. Project Sponsor:** A project sponsor is a state agency, county government, municipal government, special purpose district, other non-federal government organization, or a non-profit 501(c)(3) organization.
- 2. Sponsor Address:** Mailing address of the project sponsor.
- 3. Sponsor Representative and Title:** The name and title of a person employed by the sponsor that has signatory authority for the sponsor and that may be contacted concerning the proposed project.
- 4. Contact Phone and E-mail:** Telephone number (or numbers) and e-mail address for the sponsor representative.
- 5. Sponsor Type:** Select the option that best describes the sponsor organization.
- 6. Unique Employer Identifier (UEI) Number:** The UEI number is the official identifier for doing business with the US Government as of April 4, 2022. The UEI number replaced the DUNS number on that date. If your entity is registered in SAM.gov, you already have your UEI number and is viewable in SAM.gov. For an entity to apply for a Federal grant, it must be a registered entity in SAM.gov. Information on finding or obtaining a UEI number can be found at: <https://sam.gov/content/duns-uei>
- 7. Dam Owner:** Select the option that describes ownership of the dam that is the subject of the grant application. If the sponsor is not the dam owner but is applying on behalf of a dam owner, provide information on the dam owner.
- 8. Dam Name:** Provide the primary name used by SCDHEC for the dam. The name may be obtained by visiting <https://gis.dhec.sc.gov/scdams>
- 9. Dam State ID Number:** Provide the State Identification Number assigned to the dam. This number takes the form "D" followed by four numerals. The dam's State ID Number may be obtained by visiting <https://gis.dhec.sc.gov/scdams>
- 10. County:** Indicate the county (or counties) in which the proposed project will take place.
- 11. Project Description:** Provide a summary of the scope of work and proposed activities to be funded under a subaward from SCDHEC.
- 12. Describe the dam deficiencies this project will positively affect:** Describe what is currently known to be deficient with the dam that causes it to not meet minimum state dam safety standards and pose an unacceptable risk to the public. If the deficiencies are not fully known, describe how the project will attempt to improve understanding of the dam's condition.
- 13. Funding categories and project cost estimate:** Provide a summary of the project costs and a breakdown by funding source: Grant (i.e., Federal) Funds, Non-Federal Funds, and In-Kind Services (if applicable).
- 14. Source(s) of Non-Federal Funds:** Provide the sources of the non-Federal Funds that the Project Sponsor will utilize to ensure the Non-Federal Cost Share requirement is met.
- 15. Please select all that apply:** Select the option(s) that best represent the work already completed on this project.
- 16. Licensed Professional Engineer Registered in South Carolina:** A licensed Professional Engineer (P.E.) registered by the South Carolina Board of Registration for Engineers and Surveyors must assist with preparing this grant application. Identification of and contact information for the licensed P.E. must be provided.
- 17. Submittal Instructions:** Should be self-explanatory.
- 18. Statement of Accuracy and Signature:** The Project Sponsor's representative shall certify that all

documents submitted to SCDHEC constituting an application for sub-award under the HHPD Rehabilitation Grant Program has been reviewed and is true and accurate.

Office Mechanics & Filing: Completed forms become agency records and must be retained in accordance with retention schedule LRC-RS-DRS-6.
