

Federal Requirements Table for Drinking Water SRF Projects—General

This table lists general federal requirements that must be addressed by Sponsors with a Drinking Water (DW) SRF Project. For more information, see Guide to Federal Requirements—General*. *Project permitting, bidding and the loan application process also have specific procedures and requirements.*

*SRF Guidance Information - des.sc.gov/SRFguidance.

**SRF and SRF-related EPA Forms - des.sc.gov/SRFforms.

Requirement	When to Address	Where to Find More Information	Sponsor Action	DES Action
✓ Utility Sustainability Assessment (UtSA)	<ul style="list-style-type: none"> As soon as decision is made to apply to SRF, but must be before loan closing 	<ul style="list-style-type: none"> DES 0574** - Utility Sustainability Assessment (UtSA) 	<ul style="list-style-type: none"> Sponsor completes and submits DES 0574** and supporting documentation. Sponsors who have received a satisfactory score within three years of starting a project, may be exempt from submitting a UtSA. 	<ul style="list-style-type: none"> DES financial staff reviews UtSA and assigns a score. Sponsors who do not meet the minimum score are asked to address deficiencies and resubmit unless the project is expected to correct a deficiency that will improve the score.
✓ Environmental Review	<ul style="list-style-type: none"> As part of preparing the Preliminary Engineering Report (PER) 	<ul style="list-style-type: none"> Guide to PERs for Drinking Water SRF* 	<ul style="list-style-type: none"> Sponsor/Consultant includes relevant environmental information (including any known impacts) in the PER. 	<ul style="list-style-type: none"> DES Project Manager (PM) reviews project information and determines what level of environmental review is required. For many projects DES will request comments from resource agencies. DES PM will issue environmental decision (e.g., Categorical Exclusion, Finding of No Significant Impact).
✓ Civil Rights (Non-Discrimination)	<ul style="list-style-type: none"> Prior to loan closing 	<ul style="list-style-type: none"> Guide to Federal Requirements—General* 	<ul style="list-style-type: none"> Review EPA 4700-4** and self-assess non-discrimination practices. 	<ul style="list-style-type: none"> NA
✓ Parties Excluded from Federal Procurement and Non-Procurement Programs	<ul style="list-style-type: none"> Prior to bidding, during bidding and during construction 	<ul style="list-style-type: none"> Guide to Federal Requirements—General* 	<ul style="list-style-type: none"> Sponsor, prime contractor and any subcontractors whose contract is >\$25,000 must certify ability to do business with government on DES 3590**. 	<ul style="list-style-type: none"> DES PM reviews and verifies accuracy of certification using a Federal database – for primes and subcontractors this is part of the bid package approval process.
✓ American Iron and Steel (AIS)	<ul style="list-style-type: none"> Prior to bidding, during bidding, and during construction 	<ul style="list-style-type: none"> Guide to Federal Requirements—General* 	<ul style="list-style-type: none"> Sponsor/Consultant must specify American made iron & steel products in project specs. Work with DES to obtain a waiver if unable to source an item domestically. Collect manufacturer’s certifications. If necessary, track any de minimis items and keep the value to < 5% of construction costs. Certify on DES 2556 and 0962** as applicable. 	<ul style="list-style-type: none"> DES PM reviews bid documents for compliance with requirement to specify American made iron and steel. DES SRF staff may perform onsite inspection during construction to review manufacturer certifications and inspect materials for compliance. DES SRF staff applies to EPA for waivers (if required).

<p>✓ Davis Bacon (DB) and Related Acts</p>	<ul style="list-style-type: none"> • Prior to bidding, during bidding, and during construction 	<ul style="list-style-type: none"> • Guide to Federal Requirements—General* 	<ul style="list-style-type: none"> • Sponsor/consultant include required contract conditions (CW & DW SRF Permit Guidance – Appendix A) and correct DB wage determination (WD) in bid documents and final contract. • Require selected prime to post DB WD onsite and include DB language & WD in any/all subcontracts. • Receive for review and retention weekly certified payrolls from all contractors and subs – all must comply with DB requirements. • Perform one set of employee interviews at minimum. • Certify DB compliance on DES 2557**. 	<ul style="list-style-type: none"> • DES PM checks for correct WD in bid documents. • DES SRF staff assist with obtaining a wage for positions that are not found on the WD. • DES SRF staff may perform onsite review of DB compliance, including checking for required postings, certified payrolls, & documentation of interviews.
<p>✓ Signage (applies to construction projects funded through BIL General Supplemental capitalization grants)</p>	<ul style="list-style-type: none"> • Prior to and including construction start 	<ul style="list-style-type: none"> • Guide to Signage—Bipartisan Infrastructure Law Projects 	<ul style="list-style-type: none"> • Create a sign that meets EPA requirements and post it throughout the construction period. 	<ul style="list-style-type: none"> • DES PM reviews sign and determines that Sponsor has created and made public a sign that fulfills the EPA requirements.
