

Develop Implementation Plan

Ashley Reid and John Boyer

First, a Quick “Look Ahead” to the Implementation Plan

- **Objectives, Strategies, and Actions**

- Address water shortages or other identified issues
- Informed by the recommended water management strategies and other Plan recommendations made by the RBC

- **Schedule**

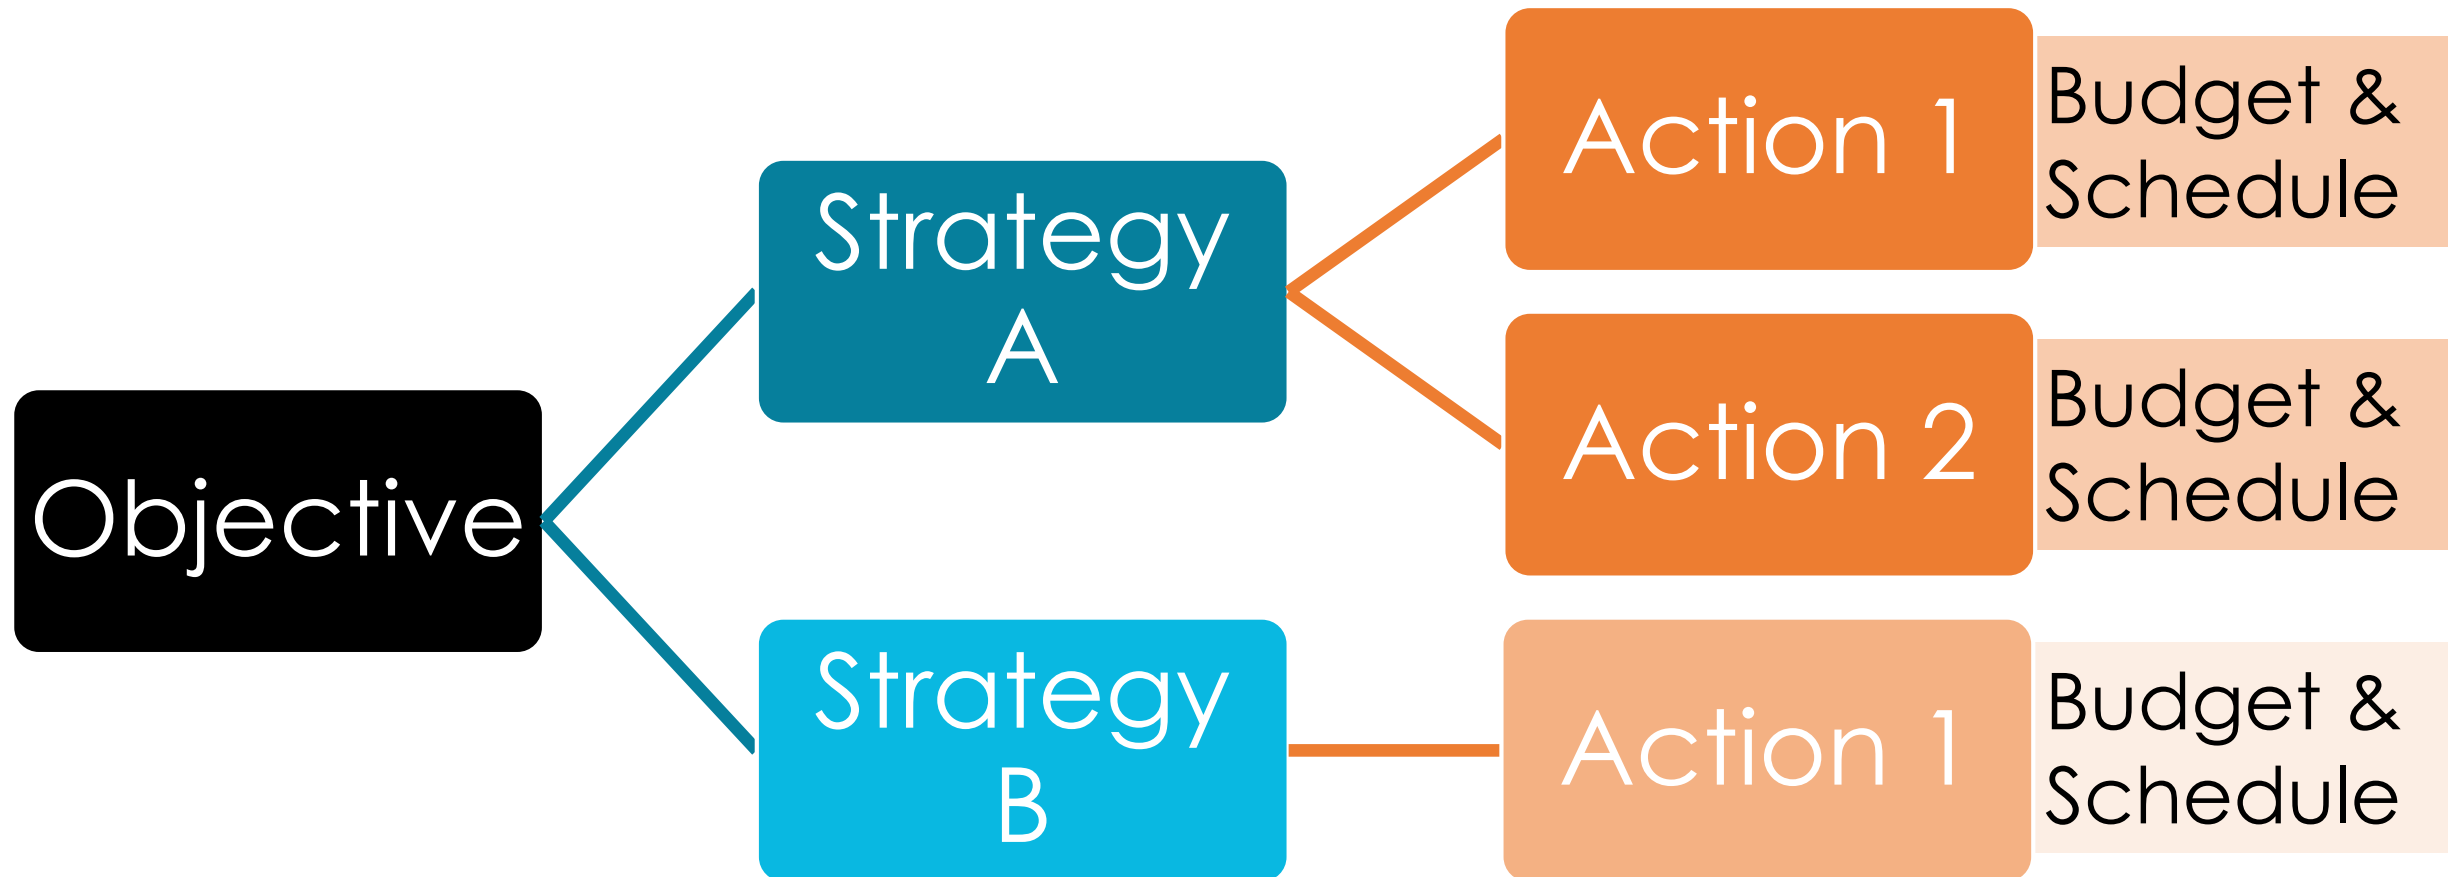

- Focuses on the first 5 years following adoption of the River Basin Plan

- **Budget**

- Budget needed to accomplish each objective
- Identifies potential funding sources

Implementation Plan

Objectives, Strategies & Actions

Implementation Plan – Proposed Objectives

Objective	Prioritization	Prioritization Justification
Objective 1. Improve water use efficiency to conserve water resources		
Objective 2. Communicate, coordinate, and promote findings and recommendations from the River Basin Plan		
Objective 3. Improve technical understanding of water resource management issues		
Objective 4. Protect water resources		
Objective 5. Improve drought management		
Objective 6. Promote engagement in the water planning process		

- Objectives should be ranked by importance and prioritized
- Each objective should include a justification describing its importance to water management in the basin
