Violations Cited: S.C. Code Ann. Regs. 61-56

Summary: Charles M. Prosser, individually and DBA Prosser's Septic Tank Service, (Individual/Entity) installed an OSWW system on property located in Aiken County, South Carolina. The Department conducted an investigation on July 26, 2024, and determined that the OSWW system was installed outside the permitted location with drainline trenches that did not meet permit specifications, and the documentation of the system installation was not submitted to the Department within the required timeframe. The Individual/Entity has violated the South Carolina Onsite Wastewater (OSWW) Systems Regulation as follows: failed to ensure that all systems for which the licensee is responsible are constructed, repaired, and cleaned in accordance with S.C. Regulation 61-56 and permits issued by the Department; and did not submit the required installation documents within the required two (2) day timeframe.

Action: The Individual/Entity is required to cease and desist installing OSWW systems outside the parameters of the permit to construct and provide to the Department all required documentation within two (2) days of the installation. The Individual/Entity shall pay a civil penalty in the amount of five hundred dollars **(\$500.00)**.

* Unless otherwise specified, "Previous Orders" as listed in this report include orders issued by Environmental Affairs Programs within the last five (5) years.
