## BUREAU OF LAND AND WASTE MANAGEMENT

### Underground Storage Tank Enforcement

- 1) Order Type and Number: Consent Order AF-0001553-UST  
Order Date: April 3, 2026  
Individual/Entity/Facility: **PMG Carolinas LLC**  
County: Richland  
Previous Orders: N/A  
Permit/ID Number: 12803

Violations Cited: The State Underground Petroleum Environmental Response Bank Act of 1988 (SUPERB), S.C. Code Ann. §§ 44-2-10 et seq.; and the South Carolina Underground Storage Tank Control Regulation, 7 S.C. Code Ann. Regs. 61-92, 280.41(b)(1)(i)(A), (2012 & Supp. 2025).

Summary: The Individual/Entity/Facility owns underground storage tanks in Richland County, South Carolina. On January 23, 2026, the Department conducted an inspection of the Facility and issued a Notice of Alleged Violation. The Individual/Entity/Facility has violated the SUPERB Act, and the Regulations as follows: failed to equip pressurized lines with an automatic line leak detector to monitor for a 3.0 GPH leak rate.

Action: The Individual/Entity/Facility has corrected all violations. The Individual/Entity/Facility shall pay a civil penalty in the amount of three thousand, six hundred dollars (\$3,600.00).

- 2) Order Type and Number: Administrative Order AF-0001393-UST  
Order Date: April 13, 2026  
Individual/Entity/Facility: **Roots Oil Company LLC**  
County: York  
Previous Orders: N/A  
Permit/ID Number: 09970

Violations Cited: The State Underground Petroleum Environmental Response Bank Act of 1988 (SUPERB), S.C. Code Ann. §§ 44-2-10 et seq.; and the South Carolina Underground Storage Tank Control Regulation, 7 S.C. Code Ann. Regs. 61-92, 280.40(a)(2) & 61-92, 280.43(d) (2012 & Supp. 2025).

Summary: The Individual/Entity/Facility owns underground storage tanks in York County, South Carolina. On April 4, 2025, the Department conducted an inspection of the Facility and issued a Notice of Alleged Violation. The Individual/Entity/Facility has violated the SUPERB Act, and the Regulations as follows: failed to properly install, calibrate, operate, and maintain release detection equipment; and failed to conduct proper release detection using an automatic tank gauge.

Action: The Individual/Entity/Facility shall, within forty-five (45) days of the effective date of the AO: investigate all probe out alarms at the Facility; submit passing release detection operability test results for all USTs at the

Facility; and submit payment of a civil penalty in the amount of six thousand, one hundred sixty-five dollars (\$6,165.00).

- 3) Order Type and Number: Administrative Order AF-0001495-UST  
Order Date: April 20, 2026  
Individual/Entity/Facility: **Mike Morrow**  
County: Horry  
Previous Orders: 23-0119-UST  
Permit/ID Number: 00868

Violations Cited: The State Underground Petroleum Environmental Response Bank Act of 1988 (SUPERB), S.C. Code Ann. §§ 44-2-10 et seq.; and the South Carolina Underground Storage Tank Control Regulation, 7 S.C. Code Ann. Regs. 44-2-60(A) (2018)

Summary: The Individual/Entity/Facility owns underground storage tanks in Barnwell County, South Carolina. On August 1, 2025, the Department conducted a file review of the Facility and issued a Notice of Alleged Violation. The Individual/Entity/Facility has violated the SUPERB Act, and the Regulations as follows: failed to pay to the Department annual underground storage tank registration fees.

Action: The Individual/Entity/Facility shall submit payment for the annual tank registration fees and associated late fees in the amount of three hundred, sixty-three dollars (\$363.00) for fiscal year 2026. The Individual/Entity/Facility shall pay a civil penalty in the amount of one thousand eight hundred dollars (\$1,800.00).

- 4) Order Type and Number: Consent Order AF-0001579-UST  
Order Date: April 20, 2026  
Individual/Entity/Facility: **R.L. Jordan Oil Company of North Carolina, Inc.**  
County: Horry  
Previous Orders: N/A  
Permit/ID Number: 12749

Violations Cited: The State Underground Petroleum Environmental Response Bank Act of 1988 (SUPERB), S.C. Code Ann. §§ 44-2-10 et seq.; and the South Carolina Underground Storage Tank Control Regulation, 7 S.C. Code Ann. Regs. 61-92, 280.20(c)(1)(ii), (2012 & Supp. 2025).

Summary: The Individual/Entity/Facility owns underground storage tanks in Horry County, South Carolina. On February 11, 2026, the Department conducted an inspection of the Facility and issued a Notice of Alleged Violation. The Individual/Entity/Facility has violated the SUPERB Act, and the Regulations as follows: failed to maintain overfill prevention equipment.

Action: The Individual/Entity/Facility has corrected all violations. The Individual/Entity/Facility shall pay a civil penalty in the amount of three thousand dollars (\$3,000.00).

### **Hazardous Waste Enforcement**

- 5) Order Type and Number: Consent Order 26-07-HW  
Order Date: April 24, 2026  
Individual/Entity/Facility: Valmont Composite Structures  
County: Hampton  
Previous Orders: N/A

Violations Cited: The South Carolina Hazardous Waste Management Act, S.C. Code Ann. §§ 44-56-10 et seq. (2018) and the South Carolina Hazardous Waste Management Regulation, 6 and 7 S.C. Code Ann. Regs. 61-79 (2012 and Supp. 2021).

Summary: The Individual/Entity/Facility is a generator of hazardous waste located in Hampton County, South Carolina. On July 17, 2025, the Department conducted an inspection at the Facility. The Individual/Entity/Facility has violated the South Carolina Hazardous Waste Management Act, and the Hazardous Waste Management Regulations as follows: failed to file a revised or new Site Identification Form whenever the information previously provided becomes outdated or inaccurate; failed to ensure containers holding hazardous waste remain closed at all times during accumulation, except when adding, removing, or consolidating waste or when temporary venting of a container is necessary; failed to label CAA containers with the words "Hazardous Waste"; accumulated hazardous waste on site for more than ninety (90) days; failed to immediately transfer the hazardous waste from a container not in good condition to a container that is in good condition, or immediately manage the waste in some other way that complies with the conditions for exemption of this section; failed to maintain a written description of the type and amount of both introductory and continuing training that would be given to each person filling a position; failed to keep a copy of each manifest signed in accordance with section 262.23(a) onsite for three (3) years or until they receive a signed copy from the designated facility which received the waste; failed to maintain aisle space to allow the unobstructed movement of personnel, fire protection equipment, spill control equipment, and decontamination equipment to any area of facility operation in an emergency, unless aisle space is not needed for any of these purposes; failed to attempt to make arrangements with the local police department, fire department, other emergency response teams, emergency response contractors, equipment suppliers, and local hospitals, taking into account the types and quantities of hazardous wastes handled at the facility; failed to describe and/or include in the Contingency Plan, a list of names and emergency telephone numbers of all persons qualified to act as emergency coordinator, and this list must be kept up to date; failed to include in the contingency plan a list of all emergency equipment at the facility, the location of the equipment, and a physical description of each item on the list, and a brief outline of its capabilities; failed to include an evacuation plan for generator personnel where there is a possibility that evacuation could be necessary; failed to submit a copy of the contingency plan and all revisions to all local emergency responders; failed to submit a quick reference guide of the contingency plan to the local emergency responders; and failed to demonstrate the length of time that the universal waste had been accumulated from the date it became a waste or was received.

Action: The Individual/Entity/Facility has corrected all violations prior to the issuance of the Order. The Individual/Entity/Facility shall pay a civil penalty in the amount of six thousand, five hundred dollars (\$6,500.00).

- 6) Order Type and Number: Consent Order 26-08-HW  
Order Date: April 30, 2026  
Individual/Entity/Facility: **HCA Healthcare Colleton Hospital**  
County: Colleton  
Previous Orders: N/A  
Permit/ID Number: SCR 000 776 492

Violations Cited: The South Carolina Hazardous Waste Management Act, S.C. Code Ann. §§ 44-56-10 et seq. (2018) and the South Carolina Hazardous Waste Management Regulation, 6 and 7 S.C. Code Ann. Regs. 61-79 (2012 and Supp. 2021).

Summary: The Individual/Entity/Facility is a generator of hazardous waste located in Colleton County, South Carolina. On January 21, 2026, the Department conducted an inspection at the Facility. The Individual/Entity/Facility has violated the South Carolina Hazardous Waste Management Act, and the Hazardous

Waste Management Regulations as follows: failed to ensure that satellite accumulation area containers are marked or labeled with an indication of the hazards of the contents; failed to maintain records documenting arrangements with the local fire department; failed to post the name and emergency telephone number of the emergency coordinator and the location of fire extinguishers and spill control material next to telephones or in areas directly involved in the generation and accumulation of hazardous waste; failed to keep containers of non-creditable hazardous waste pharmaceuticals closed and secure in a manner that prevents unauthorized access to its contents; failed to label containers used to accumulate non-creditable hazardous waste pharmaceuticals as healthcare facilities with the phrase "Hazardous Waste Pharmaceuticals"; and failed to demonstrate the length of time that non-creditable hazardous waste pharmaceuticals have been accumulating, starting from the date it first becomes a waste.

Action: The Individual/Entity/Facility corrected all violations prior to the issuance of the Consent Order. The Individual/Entity/Facility shall pay a civil penalty in the amount of four thousand dollars (\$4,000.00).

### **Radiation Protection Enforcement**

- 7) Order Type and Number: Consent Order 26-04-RP  
Order Date: April 20, 2026  
Individual/Entity/Facility: **Beaufort Memorial Hospital**  
County: Beaufort  
Previous Orders: N/A  
Permit/ID Number: SC Radioactive Material License 237

Violations Cited: The Atomic Energy and Radiation Control Act, S.C. Code Ann. § 13-7-10 et seq. (1997 & Supp. 2025) and the Radioactive Materials (Title A) Regulations, 6 S.C. Code Ann. Regs. 61-63 (2011 Supp. 2025).

Summary: Beaufort Memorial Hospital is located in Beaufort County, South Carolina. On November 6, 2025, the Department conducted an inspection of the Facility and on November 19, 2025, issued a Notice of Noncompliance. The Individual/Entity/Facility has violated the Atomic Energy and Radiation Control Act, and the Radioactive Materials (Title A) Regulations as follows: failed to ensure that licensed radioactive material is used by, or under the supervision of an individual authorized for the material and medical use; failed to have written directives dated and signed by an authorized user before the administration of radioactive material; and failed to develop, implement, and maintain written procedures for any administration requiring a written directive to provide high confidence that each administration is in accordance with the written directive.

Action: The Individual/Entity/Facility has corrected all violations prior to the issuance of the Order. The Individual/Entity/Facility shall pay a civil penalty in the amount of fifteen thousand dollars (\$15,000.00).

### **BUREAU OF WATER**

#### **Recreational Waters Enforcement**

- 8) Order Type and Number: Consent Order 26-007-RW  
Order Date: April 1, 2026  
Individual/Entity/Facility: **Fairways Development, LLC/Longcreek Swim & Racquet**  
County: Richland  
Previous Orders: None  
Permit/ID Number: 40-290-1

Violations Cited: S.C. Code Ann. Regs. 61-51.J, Public Swimming Pools Regulation

Summary: Fairways Development, LLC owns and is responsible for the proper operation and maintenance of a pool located in Richland County, South Carolina. The Department conducted inspections on July 1, 2025, July 24, 2025, and August 6, 2025, and violations were issued for failure to properly operate and maintain. The Individual/Entity/Facility has violated the Public Swimming Pools Regulation as follows: the lifeline floats were too small; depth marker tiles on the pool deck were broken and loose; a ladder was missing a rung; a ladder was missing bumpers; the pool walls were not clean and the plaster was deteriorating; the pool deck was uneven with sharp edges; the water level was too low; skimmers were missing weirs; skimmer lids were cracked; skimmer baskets were floating; the bathrooms did not have soap, paper towels, or hand dryers; the drinking water fountain was not operating; valves in the pump room were partially closed; there were non-pool related items stored in the pump room; there was a small leak in the recirculation system; the chemical storage room was not locked; the pump room did not have proper ventilation; the flow meter was not operating; a return was missing a cover; the pool entry door was propped open; the chlorine level was not within the acceptable range of water quality standards; the life ring was deteriorated and was not hung in the designated location; and the current pool operator of record information was not posted to the public.

Action: The Individual/Entity/Facility has corrected all violations. The Individual/Entity/Facility is required to: cover the pool with a commercially manufactured pool cover or drain the pool of stagnant water; post "Pool Closed" signs conspicuously around or inside the Pool enclosure and on all pool gates; submit to the Department for review and approval, a plan to fill in or remove the pool; complete the work in accordance with the approved plan; and contact the Department to schedule an inspection to verify the completed work. The Individual/Entity/Facility shall pay a stipulated penalty in the amount of two thousand four hundred dollars (\$2,400.00) should any requirement of the Order not be met.

### Drinking Water Enforcement

- 9) Order Type and Number: Consent Order 26-005-DW  
Order Date: April 20, 2026  
Individual/Entity/Facility: **2 Blessed, LLC/Sunnyvale MHP**  
County: Lexington  
Previous Orders: None  
Permit/ID Number: 3260138

Violations Cited: S.C. Code Ann. Regs. 61-58.6.B(1), State Primary Drinking Water Regulation

Summary: 2 Blessed, LLC owns and is responsible for the proper operation and maintenance of a public water system (PWS) located in Lexington County, South Carolina. On October 17, 2025, December 18, 2025, and March 13, 2026, violations were issued as a result of review of monitoring records. The Individual/Entity/Facility has violated the State Primary Drinking Water Regulation as follows: failed to timely report total coliform sample results to the Department within ten (10) calendar days following the end of the month in which the result was received and within ten (10) calendar days following the end of the specified monthly monitoring period.

Action: The Individual/Entity/Facility is required to: submit to the Department for review and approval a plan for ensuring that all bacteriological monitoring and reporting requirements are met in accordance with Regs. 61-58. The Individual/Entity/Facility shall pay a civil penalty in the amount of two thousand dollars (\$2,000.00); and pay a stipulated penalty in the amount of four thousand dollars (\$4,000.00) should any requirement of the Order not be met.

- 10) Order Type and Number: Consent Order 26-006-DW

Order Date: April 20, 2026  
Individual/Entity/Facility: **Jay Maadi, LLC/Village Market of Rock Hill**  
County: York  
Previous Orders: None  
Permit/ID Number: 4670975

Violations Cited: S.C. Code Ann. Regs. 61-58.17K(1)(b), State Primary Drinking Water Regulation

Summary: Jay Maadi, LLC owns and is responsible for the proper operation and maintenance of a public water system (PWS) located in York County, South Carolina. On February 13, 2026, a violation was issued as a result of review of monitoring records. The Individual/Entity/Facility has violated the State Primary Drinking Water Regulation as follows: the PWS tested present for total coliform and E. coli, which resulted in a violation of the maximum contaminant level for E. coli.

Action: The Individual/Entity/Facility is required to: submit an investigative report and a corrective action plan with a schedule to address the causes of total coliform and E. coli present results at the PWS. The Individual/Entity/Facility shall pay a stipulated penalty in the amount of four thousand dollars (\$4,000.00) should any requirement of the Order not be met.

11) Order Type and Number: Consent Order 26-007-DW  
Order Date: April 30, 2026  
Individual/Entity/Facility: **High Hills Rural Water Company, Inc.**  
County: Sumter  
Previous Orders: None  
Permit/ID Number: 4320003

Violations Cited: S.C. Code Ann. Regs. 61-58.11, State Primary Drinking Water Regulation

Summary: High Hills Rural Water Company, Inc. owns and is responsible for the proper operation and maintenance of a public water system (PWS) located in Sumter County, South Carolina. On December 15, 2025, a violation was issued for failure to provide initial notification to all persons served by the PWS at the service connection with a lead, galvanized requiring replacement, or lead status unknown within thirty (30) days of completion of the Lead Service Line Inventory (Inventory). The Individual/Entity/Facility has violated the State Primary Drinking Water Regulation as follows: failure to provide initial notification to all persons served by the PWS at the service connection with a lead, galvanized requiring replacement, or lead status unknown within thirty (30) days of completion of the Inventory.

Action: The Individual/Entity/Facility is required to: complete the Frequently Asked Questions and Notification documents (provided by the Department) and send a copy of both documents to all addresses identified on the Inventory as served by the PWS at the service connection with lead status unknown, submit to the Department an example copy of the documents that were sent to the addresses identified, and submit a signed and dated Certification Memo that specifies the method of delivery. The Individual/Entity/Facility shall pay a civil penalty in the amount of four thousand dollars (\$4,000.00).

### **Water Pollution Enforcement**

12) Order Type and Number: Consent Order 26-010-W  
Order Date: April 1, 2026  
Individual/Entity/Facility: **Johns Creek Holding, LLC**  
County: Greenwood

Previous Orders: None  
Permit/ID Number: SCR10ZFXV

Violations Cited: Pollution Control Act, S.C. Code Ann. § 48-1-90(a), and the Water Pollution Control Permits Regulation S.C. Code Ann. Regs. 61-9.122.41(a) and (e).

Summary: Johns Creek Holding, LLC (Individual/Entity/Facility) owns and is responsible for land disturbing activities at Calhoun Road and Pinetree Drive, Greenwood, Greenwood County, South Carolina. The Department conducted Stormwater Construction Compliance Evaluation Inspections (CEIs) between March 4, 2025, and October 29, 2025. The Individual/Entity/Facility has violated the Pollution Control Act and Water Pollution Control Permits Regulation as follows: discharged sediment into the environment, including into waters of the State, failed to install all erosion and sediment controls as specified in the approved SWPPP as required by the Permit from commencement of construction activities until final stabilization had been reached, failed to update the Onsite SWPPP as modifications were made, failed to follow a sequence of construction, failed to initiate soil stabilization measures as soon as practicable, failed to properly operate and maintain in good working order, or operate as efficiently as possible, all erosion and sediment controls installed or used by the permittee to achieve compliance with the terms and conditions of the Permit, failed to conduct and retain a record of weekly inspections on a routine basis, and failed to retain a record of each inspection and of any actions taken.

Action: The Individual/Entity/Facility is required to: submit documentation demonstrating weekly inspections are performed, recorded, maintained, and available for review upon request by the Department, and ensure that an Onsite SWPPP is maintained and available during Department inspections while on-site, submit documentation to the Department demonstrating sediment was prevented from leaving the Site, submit documentation demonstrating the installation, repair, and/or maintenance of necessary BMPs, submit documentation demonstrating the Site is following the construction sequence approved by the Department, submit documentation demonstrating the remaining storm drainpipe has been installed with stabilization initiated. The Individual/Entity shall pay a civil penalty in the amount of one hundred thousand dollars (\$100,000.00) and pay a suspended penalty in the amount of one hundred and forty-one thousand, eight hundred seventy-five dollars (\$141,875.00) should requirements and timelines established in the Consent Order not be met.

13) Order Type and Number: Consent Order 26-011-W  
Order Date: April 8, 2026  
Individual/Entity/Facility: **Town of Blackville**  
County: Barnwell County  
Previous Orders: N/A  
Permit/ID Number: SC0026417

Violations Cited: Pollution Control Act, S.C. Code Ann. § 48-1-90(A) and § 48-1-110(d), the Water Pollution Control Permits Regulation, S.C. Code Ann. Regs.61-9.122.41(a), (e), (j), (l), and R.61-9.503.22, and Standards for Wastewater Facility Construction, S.C. Code Ann Regs. 61-67.300.C.(2-3), (6-7) and (10).

Summary: The Town of Blackville owns and is responsible for the proper operation and maintenance of a Wastewater Treatment Plant (WWTP) located in Barnwell, South Carolina. Between July 18, 2024, and October 17, 2025, the Department conducted the following inspections: a Compliance Sampling Inspection, an Operation and Maintenance Inspection, and a Collection System Operation and Maintenance Inspection. The Individual/Entity/Facility has violated the Pollution Control Act, the Water Pollution Control Permits Regulation, and the Standards for Wastewater Facility Construction Regulation, as follows: failed to comply with the permitted effluent limitations; failed to provide and maintain records pertaining to sludge disposal, monitoring, and facility treatment inspections; failed to operate and maintain facility equipment in good working order; and failed to prevent releases to the environment, including waters of the State.

Action: The Individual/Entity/Facility is required to: submit a Corrective Action Plan, a Sludge Disposal Plan, and provide written and photographic documentation demonstrating that all pump stations and the facility are functioning and operating in compliance with the Permit. The Individual/Entity/Facility shall pay a civil penalty in the amount of six thousand seven hundred dollars (\$6,700.00) and pay a suspended penalty in the amount of fifty thousand dollars (\$50,000.00) should requirements and timelines established in the Consent Order not be met.

- 14) Order Type and Number: Consent Order 26-012-W  
Order Date: April 6, 2026  
Individual/Entity/Facility: **Circle K Stores Inc / Platt Springs & Kyzer Road Circle K**  
County: Lexington  
Previous Orders: N/A  
Permit/ID Number: WW046389

Violations Cited: Standards for Wastewater Facility Construction, S.C. Code Ann Regs. 61-67.100(E)(7) and Construction Permit WW046389.

Summary: Circle K Stores Inc owns and is responsible for the proper operation and maintenance of a gas station located in Lexington County, South Carolina. On November 10, 2025, the Department issued a Notice of Violation for placing into operation a wastewater collection system prior to an approval to operate being issued by the Department. The Individual/Entity/Facility has violated the Standards for Wastewater Facility Construction and Construction Permit WW046389 as follows: failed to obtain approval from the Department prior to placing upgrades into operation.

Action: The Individual/Entity/Facility shall pay a civil penalty in the amount of thirteen thousand dollars (\$13,000.00).

- 15) Order Type and Number: Consent Order 26-013-W  
Order Date: April 21, 2026  
Individual/Entity/Facility: **Low Country Water System / Town of Brunson WWTP**  
Previous Orders: CO 24-021-W (\$4,000.00), CO 22-073-W (\$1,400.00), CO 22-037-W (\$2,800.00),  
CO 21-032-W (\$7,000.00)  
Permit/ID Number: SC0042382

Violations Cited: Pollution Control Act, S.C. Code Ann. § 48-1-110(d) and the Water Pollution Control Permits and S.C. Code Ann Regs. 61-9.122.41(a).

Summary: Low Country Water System owns and is responsible for the proper operation and maintenance of Town of Brunson Wastewater Treatment Plant (WWTP) located in Hampton County, South Carolina. On August 28, 2025, a Notice of Violation was issued for exceedance of the permitted discharge limits for Total Suspended Solids (TSS) reported on the discharge monitoring reports submitted to the Department. The Individual/Entity/Facility has violated the Pollution Control Act, and the Water Pollution Control Permits Regulation as follows: failed to comply with the permitted effluent limitations for TSS.

Action: The Individual/Entity/Facility shall pay a civil penalty in the amount of four thousand dollars (\$4,000.00).

- 16) Order Type and Number: Consent Order 26-014-W  
Order Date: April 28, 2026

Individual/Entity/Facility: **Richland County / Broad River WWTF**

Previous Orders: N/A

Permit/ID Number: SC0046621

Violations Cited: Pollution Control Act, S.C. Code Ann. § 48-1-110(d) and the Water Pollution Control Permits and S.C. Code Ann Regs. 61-9.122.41(a).

Summary: Richland County owns and is responsible for the proper operation and maintenance of Broad River wastewater treatment facility (WWTF) located in Richland County, South Carolina. On October 8, 2025, a Notice of Violation was issued for exceedance of the permitted discharge limits for total phosphorous reported on the discharge monitoring reports submitted to the Department. The Individual/Entity/Facility has violated the Pollution Control Act, and the Water Pollution Control Permits Regulation as follows: failed to comply with the permitted effluent limitations for total phosphorus.

Action: The Individual/Entity/Facility is required to: submit written notification of the planned completion date for all corrective actions necessary to resolve the effluent violations for total phosphorous; conduct a three (3) month monitoring compliance confirmation period upon completion of corrective actions; and implement engineered upgrades to the WWTF should additional violations be observed during the compliance confirmation period. The Individual/Entity/Facility shall pay a civil penalty in the amount of two thousand dollars (\$2,000.00).

- 17) Order Type and Number: Consent Order 26-015-W  
Order Date: April 28, 2026  
Individual/Entity/Facility: **Coogler Construction, Inc.**  
County: Fairfield  
Previous Orders: None  
Permit/ID Number: SCG731186

Violations Cited: Pollution Control Act, S.C. Code Ann. § 48-1-90(a), and the Water Pollution Control Permits Regulation S.C. Code Ann. Regs. 61-9.122.41(a).

Summary: Coogler Construction, Inc. (Individual/Entity/Facility) owns and is responsible for the proper operation and maintenance of the Coogler Construction Mine located at SC Highway 213 in Jenkinsville, Fairfield County, South Carolina. The Department conducted Stormwater Construction Compliance Evaluation Inspection on April 15, 2025. The Individual/Entity/Facility has violated the Pollution Control Act and the Water Pollution Control Permits Regulation as follows: failed to develop, implement and retain a signed Stormwater Pollution Prevention Plan (SWPPP) on-site.

Action: The Individual/Entity/Facility is required to: submit a completed SWPPP to the Department and maintain a copy of the SWPPP on-site. The Individual/Entity shall pay a civil penalty in the amount of ten thousand dollars (\$10,000.00).

### **BUREAU OF AIR QUALITY**

- 18) Order Type/Order Number: 26-006-A  
Order Date: 4/20/26  
Individual/Entity/Facility: **Curtis Coker**  
County: Anderson  
Previous Orders: N/A  
Permit/ID Number: N/A  
Violations Cited: S.C. Code Ann. Regs. 61-62.2 (Supp. 2024), Prohibition of Open Burning.

Summary: According to records at the Anderson County Assessor's Office, Curtis Coker ("Individual/Entity/Facility") co-owns the property located at 115 Kings Road in Belton, South Carolina ("Site"). On December 13, 2024 a Department inspector conducted an investigation at the Site. The Individual/Entity/Facility has violated South Carolina Air Pollution Control Regulations, as follows: the Individual/Entity/ Facility burned, or allowed to be burned, materials other than those allowed by Section I, specifically household garbage.

Action: The Individual/Entity shall: cease all open burning except as permitted in S.C. Code Ann. Regs. 61-62.2, Prohibition of Open Burning. The Individual shall pay a civil penalty in the amount of one thousand dollars (\$1,000.00), by May 22, 2026.

## BUREAU OF REGIONAL AND LABORATORY SERVICES

### On-Site Wastewater Enforcement

19) Order Type and Number: Administrative Order AF-0001552  
Order Date: April 9, 2026  
Individual/Entity/Facility: **Collins B. Lane**  
County: Hampton  
Previous Orders: None  
Permit Number: None

Violations Cited: S.C. Code Ann. Regs. 61-56

Summary: Collins B. Lane owns property located in Hampton County, South Carolina. The Department conducted an investigation on December 31, 2025, and observed a camper being occupied for more than two (2) hours per day without being connected to an approved means of domestic wastewater treatment and disposal. The Individual/Entity/Facility has violated the South Carolina Onsite Wastewater (OSWW) Systems regulation as follows: failed to ensure that a building or dwelling that is occupied for more than two (2) hours per day is connected to an approved means of domestic wastewater treatment and disposal.

Action: The Individual/Entity/Facility is required to apply for a permit to construct an OSWW system within five (5) days and install the OSWW system within ten (10) days of the issuance of the permit to effectively stop the discharging of septic tank effluent, domestic wastewater, or sewage to the surface of the ground; or immediately vacate or remove the camper. The Individual/Entity/Facility shall pay a suspended penalty in the amount of five thousand dollars (\$5,000.00) should any requirement of the Order not be met.

20) Order Type and Number: Administrative Order AF-0001561  
Order Date: April 9, 2026  
Individual/Entity/Facility: **Yanez Yamileth Zabala and Lemus Juan Carlos Ramos**  
County: Colleton  
Previous Orders: None  
Permit Number: None

Violations Cited: S.C. Code Ann. Regs. 61-56

Summary: Yanez Yamileth Zabala and Lemus Juan Carlos Ramos own property located in Colleton County, South Carolina. The Department conducted an investigation on December 17, 2025, and observed domestic wastewater discharging onto the surface of the ground. The Individual/Entity/Facility has violated the South

Carolina Onsite Wastewater (OSWW) Systems regulation as follows: failed to ensure that no septic tank effluent, domestic wastewater, or sewage was discharged to the surface of the ground without an appropriate permit from the Department.

Action: The Individual/Entity/Facility is required to repair the OSWW system within five (5) days to effectively stop the discharging of septic tank effluent, domestic wastewater, or sewage to the surface of the ground; or immediately vacate the residence to eliminate the flow of domestic wastewater to the OSWW system. The Individual/Entity/Facility shall pay a suspended penalty in the amount of five thousand dollars (\$5,000.00) should any requirement of the Order not be met.
