waste tires

Tire Disposal

Residents can take up to 10 passenger vehicle tires to Anderson County's Materials Recovery Facility at 104 Landfill Road in Belton. For more details, call **(864) 338-5328**. A fee of \$1.50 per tire will be charged for more than 10 tires. To avoid paying this fee, residents are asked to leave their old tires with the tire dealer when buying new ones.

Tire Fee

Each South Carolina resident pays a \$2 fee to the tire dealer for each new tire they purchase. This fee covers the expenses of recycling your waste tires.
