Coastal Zone Consistency Certification

To: Crystal Rippy, Bureau of Water, Industrial Wastewater Permitting Section
From: John Cox, OCRM Coastal Zone Consistency Section
Cc: Curtis Joyner, OCRM Coastal Zone Consistency Section
Re: AVX Corporation WWTP Upgrade
Site location: Myrtle Beach, SC
Date: November 19, 2012
CZC #: 12-0610
PN#: N/A

Department CZC staff has reviewed the above referenced Coastal Zone Consistency request for installation of an additional groundwater recovery well and certifies the above referenced project meets the minimum standards for General Coastal Zone Consistency for Water and Wastewater lines being extended to existing development, including residential, commercial, industrial etc.

This certification serves as the DHEC OCRM Coastal Zone Consistency approval for this permit and does not alleviate the applicant's responsibility in obtaining other required local, state or federal approvals.
