RE: Reinspection of Dam D-0029, North Lake Dam, Richland County

Dear Mr. Tueber:

This office performed a routine inspection of the North Lake Dam on Tuesday December 11, 2012. Enclosed you will find an inspection report which summarizes any comments or concerns.

Also enclosed is a copy of the Emergency Notification and Surveillance Plan. Please keep this in an easily accessible location so that all agencies can be notified as quickly as possible should the dam ever experience difficulty. Should the person responsible for implementing the plan change, our office must be notified immediately.

Provisions in the SC Dams and Reservoirs Safety Act require the owner to notify us within 30 days after transferring title or control of a dam to someone else. Enclosed is a form for your use should this transfer be necessary. Please note that this notification must include the name and address of any new owner.

If you need any assistance or have any questions prior to the next inspection, please do not hesitate to contact us at (803) 896-0620.

Sincerely,

Steven Hauptmann
District Engineer Associate
Central Midlands EQC District Office

INSPECTION REPORT

Date December 11, 2012

Dam D-0029, North Lake Dam, Richland County

Representatives of SCDHEC Present:

Steven Hauptmann

Representatives of Owner Present:

None

Others Present:

None

List of noted deficiencies or items requiring correction/checking:

- *Tree stumps on the upstream side of the dam should be monitored for decomposition. When they need to be removed and backfilled a construction permit may be required.
- *The spillway must remain clear of branches, weeds, etc.
- * There are many trees on both sides of the dam and should be evaluated for removal. All vegetation (brush, weeds, etc.) and small trees (less than 6 inches in diameter) should be cut and removed from dam. Unable to do a complete inspection of the downstream side of the dam due to heavy pine straw cover.

Note: Dam should remain clear of vegetation year round.

List of previously noted items still uncorrected and dates previously noted:

*The vegetation and small trees should be removed from the dam was noted in April '97, November '97, May '99, May '00, May '01 and May '02, May 2003, Dec 2010
