In accordance with the 1976 Code of Laws of South Carolina, as amended, including SC Code Section 44-1-60(D), a Department Decision has been made to issue Permit No. CP-50000109 v1.0 to the above-named permittee. This permit was previously placed on public notice and open for public comment from September 1, 2023, through September 30, 2023. A public comment was received by SC DHEC during the comment period. The comment received during the formal comment period regarding air quality issues has been addressed in SC DHEC's *Responses to Comments on Air Quality* document attached to this Department Decision. SC DHEC's decision to issue this permit has been made after consideration and a complete review of the following: the air permit application, applicable state and federal air quality regulations, comments received within the required time frame, and all other pertinent information.

This Department Decision includes the following: a) the issued permit which meets the requirements of all applicable air quality regulations; b) a summary of the project, permit, and applicable regulations as outlined in the Statement of Basis; and c) a summary of the comments made by concerned citizens regarding air quality issues and responses by the Bureau of Air Quality, as outlined in the *Responses to Comments on Air Quality*. This Department Decision will be included in SC DHEC's administrative record for this permit decision.
