In accordance with the 1976 Code of Laws of South Carolina, as amended, including SC Code Section 44-1-60(D), a Department Decision has been made to issue Permit No. CP-50000065 v1.0 to the above-named permittee. This permit was previously placed on public notice and open for public comment from August 21, 2023, through September 25, 2023. A public meeting and hearing were held by SC DHEC's Bureau of Air Quality on September 21, 2023, to provide information and to receive oral and written comments on the proposed project. No public comments were received by SC DHEC during the hearing or the permitting process/comment period. SC DHEC's decision to issue this permit has been made after consideration and a complete review of the following: the air permit application, applicable state and federal air quality regulations, the public hearing transcript, and all other pertinent information.

This Department Decision includes the following: a) the issued permit which meets the requirements of all applicable air quality regulations; and b) a summary of the project, permit, and applicable regulations as outlined in the Statement of Basis. This Department Decision will be included in SC DHEC's administrative record for this permit decision.
