RE: Focused Feasibility Study Work Plan  
CSXT Bramlette Road Site  
Greenville, South Carolina

Dear Mr. Powell:

The State Voluntary Cleanup Program has reviewed and approved the Focused Feasibility Study Work Plan received by the Department on August 19, 2022. The Feasibility Study should be developed using Operable Unit 1 (Soil and Sediment) and Operable Unit 2 (Groundwater and Surface Water). Alternatives would then be explored within each Operable Unit.

If you have any questions, please contact me at (803) 898-0910 or by email at [cassidga@dhec.sc.gov](mailto:cassidga@dhec.sc.gov).

Sincerely,
