RE: Quarterly Progress Report (1st Quarter, 2022)
SCE&G Fleet Maintenance Site (Congaree River)
Columbia, South Carolina

Dear Mr. Biery:

The Department received the Quarterly Progress Report (1st Quarter, 2022) from Dominion Energy on May 1, 2022. The report provides an update of significant activities/milestones on the progress of Dominion Energy's permitting efforts of the Modified Removal Action. The Department approves of the Quarterly Report as submitted.

If you have any questions, feel free to contact me at (803) 898-0910 or cassidga@dhec.sc.gov.

Sincerely,

Greg Cassidy, Project Manager
State Voluntary Cleanup Program
Division of Site Assessment, Remediation, and Revitalization
Bureau of Land and Waste Management
