RE: Quarterly Progress Report (3rd Quarter, 2021)
SCE&G Fleet Maintenance Site (Congaree River)
Columbia, South Carolina

Dear Mr. Effinger:

The Department received the Quarterly Progress Report (3rd Quarter, 2021) from Dominion Energy on October 22, 2021. The report provides an update of significant activities/milestones on the progress of Dominion Energy's permitting efforts of the stakeholder-developed Modified Removal Action. The Department approves of the Quarterly Report as submitted.

If you have any questions, feel free to contact me at (803) 898-0910 or cassidga@dhec.sc.gov.

Sincerely,

Greg Cassidy, Project Manager
State Voluntary Cleanup Program
Division of Site Assessment, Remediation, and Revitalization
Bureau of Land and Waste Management
