RE: Remedial Investigation Work Plan Addendum
CSXT Bramlette Road Site
Greenville, South Carolina

Dear Mr. Powell:

The State Voluntary Cleanup Program has reviewed and approved the Remedial Investigation Work Plan Addendum (Former Stormwater Conveyance Ditches) received by the Department on August 27, 2020. If monitoring well permits are required for the soil borings, contact me close to the beginning of field work for those. Monitoring well permits have a 90-day active period.

If you have any questions, please contact me at (803) 898-0910 or by email at cassidga@dhec.sc.gov.

Sincerely,
