

ASSET MANAGEMENT PLAN ASSISTANCE

FOR PUBLIC DRINKING WATER SYSTEMS

THE 5 CORE ELEMENTS OF ASSET MANAGEMENT

THE SOUTH CAROLINA DRINKING WATER SRF PROGRAM OFFERS FUNDING TO PUBLIC DRINKING WATER SYSTEMS TO PREPARE PLANNING DOCUMENTS INCLUDING ASSET MANAGEMENT PLANS.

1. Does your system have an asset management plan?
2. Does your system have a capital improvement plan or similar financial plan to address the future costs of maintaining and replacing assets and updating the system to meet future customer demand and regulatory requirements?
